## **PROPOSED SHARE CONSOLIDATION**

The Board proposes to implement the Share Consolidation on the basis that every five (5) issued and unissued Shares of par value of HK\$0.05 each be consolidated into one (1) Consolidated Share of HK\$0.25 each.

### **Effects of the proposed Share Consolidation**

As at the date of this announcement, the authorised share capital of the Company is HK\$300,000,000 divided into 6,000,000,000 Existing Shares with par value of HK\$0.05 each.

Upon the Share Consolidation becoming effective and assuming that there are no changes on the authorised share capital of the Company from the date of this announcement until the effective date of the Share Consolidation, the authorised share capital of the Company will become HK\$300,000,000 divided into 1,200,000,000 Consolidated Shares with par value of HK\$0.25 each.

As at the date of this announcement, 1,323,968,128 Existing Shares have been allotted and issued. Upon the Share Consolidation becoming effective and assuming that no new Existing Shares are issued nor Existing Shares are repurchased from the date hereof until the effective date of the Share Consolidation, 264,793,625 Consolidated Shares will be in issue.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank *pari passu* in all respects with each other and the Share Consolidation will not result in any change in the relative rights of the Shareholders.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save for any fractional Consolidated Shares will not be allocated to the Shareholders who may otherwise be entitled. The Directors are of the view that the Share Consolidation will not have any material adverse effect on the financial position of the Group and are in the interest of the Company and the Shareholders as a whole.

### **Conditions of the Share Consolidation**

The Share Consolidation is conditional upon the following conditions:

- (i) the passing of an ordinary resolution by the Shareholders at the SGM to approve the Share Consolidation;
- (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective; and
- (iii) the compliance with all relevant procedures and requirements under the applicable laws of the Bermuda and the Listing Rules to effect the Share Consolidation.

Subject to the fulfilment of the conditions of the Share Consolidation, the effective date of the Share Consolidation is expected to be on Monday, 20 July 2026.

As at the date of this announcement, none of the conditions above had been fulfilled.

### **Application for listing of the Consolidated Shares**

An application will be made by the Company to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective.

Subject to the granting of listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange upon the Share Consolidation becoming effective, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of HKSCC and HKSCC Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Shares are listed or dealt in on any other stock exchanges other than the Stock Exchange, and at the time when the Share Consolidation becoming effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

### **PROPOSED CHANGE IN BOARD LOT SIZE**

As of the date of this announcement, the Existing Shares in issue are traded on the Stock Exchange in the board lot size of 20,000 Existing Shares. It is proposed that, subject to and conditional upon the Share Consolidation becoming effective, the board lot size for trading on the Stock Exchange be changed from 20,000 Existing Shares to 5,000 Consolidated Shares.

Based on the closing price of HK\$0.315 per Existing Share (equivalent to the theoretical closing price of approximately HK\$1.575 per Consolidated Share) as at the date of this announcement, (i) the market value of each board lot of 20,000 Existing Shares is HK\$6,300; (ii) the market value of each board lot of 20,000 Consolidated Shares would be HK\$31,500, assuming the Share Consolidation has become effective; and (iii) the estimated market value of each board lot of 5,000 Consolidated Shares would be HK\$7,875 on the assumption that the Change in Board Lot Size has also become effective.

The Change in Board Lot Size will not result in any change in the relative rights of the Shareholders.

### **Fractional entitlement to Consolidated Shares**

Fractional Consolidated Shares arising from the Share Consolidation, if any, will be disregarded and will not be allocated to the Shareholders, but will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

### **Arrangement on odd lot trading**

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares arising from the Share Consolidation, the Company will appoint a securities firm as an agent to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares.

Holder of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Details of the odd lots arrangement will be set out in the Circular.

**Shareholders or potential investors should note that (i) odd lots will be created after the Share Consolidation; (ii) odd lots arrangements do not guarantee successful matching of all odd lots at the relevant market price; and (iii) odd lots might be sold below the market price in the market.**

### **Exchange of share certificates**

Subject to the Share Consolidation becoming effective, which is currently expected to be on Monday, 20 July 2026, the second Business Day after the date of the SGM, the Shareholders may during the specific period submit existing share certificates for the Existing Shares (in the colour of ORANGE) to the share registrar in Hong Kong, Union Registrars Limited, located at Suites 3301–04, 33/F., Two Chinachem Exchange Square, 338 King’s Road, North Point, Hong Kong, in exchange for new share certificates for the Consolidated Shares (in the colour of GREY) at the expense of the Company.

Thereafter, share certificates for the Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be specified by the Stock Exchange) by the Shareholders for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever number of share certificates cancelled/issued is higher.

After 4:10 p.m. on Friday, 21 August 2026, trading will only be in Consolidated Shares. Share certificates for the Existing Shares will remain effective as documents of title and may be exchanged for share certificates for the Consolidated Shares at any time but will not be accepted for delivery, trading and settlement purposes.

### **Other securities of the Company**

As at the date of this announcement, the Company has no outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

### **REASONS FOR THE SHARE CONSOLIDATION AND CHANGE IN BOARD LOT SIZE**

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of the issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the issuer either to change the trading method or to proceed with consolidation or splitting of its securities. Further, the “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited (the “**Guide**”) has further stated that, among other things, the market price of the shares at a level less than HK\$0.10 each will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules.

The Shares have been trading around HK\$0.3 for most of the time during the past six months. In view of the prevailing trading prices and the historical fluctuations in the market price of the Shares, the Board considers that the Share Consolidation will bring about a corresponding upward adjustment in the trading price per Share. This serves as a proactive measure to prevent the market price of the Shares from approaching the extremities of HK\$0.10 in order to comply with the trading requirements of the Listing Rules.

The Board has carefully considered the potential impact of the Share Consolidation on the trading liquidity of the Shares. By implementing the Change in Board Lot Size concurrently with the Share Consolidation, the Board ensures that the new board lot value will not be adjusted to an excessively large amount that might result in trading liquidity drying up. The proposed Change in Board Lot Size is designed to maintain the transaction value for each board lot at a reasonable level to facilitate trading by the investing public.

Furthermore, the Board believes that the expected upward adjustment in the trading price of the Consolidated Shares will achieve a positive corporate image for the Company and uplift its profile. Such an upward adjustment is also intended to make investing in the Consolidated Shares more attractive to a broader range of investors, in particular institutional and professional investors whose house rules might otherwise prohibit or restrict trading in securities that are priced below a prescribed floor, thereby helping to optimise and broaden the shareholder base of the Company.

In addition, the Board believes that the Share Consolidation and the Change in Board Lot Size would reduce the overall transaction and handling costs of dealings in the Shares as a proportion of the market value of each board lot, since most banks and securities houses will charge a minimum transaction cost for each securities trade.

Although the Share Consolidation and the Change in Board Lot Size may lead to the creation of odd lots of Consolidated Shares owned by the Shareholders, the Company will designate an agent to stand in the market to provide matching services for odd lots of Shares for a period of not less than three weeks, which is expected to effectively alleviate the difficulties caused by the creation of odd lots of Shares.

The Share Consolidation and the Change in Board Lot Size will not have any material adverse effect on the financial position of the Company nor result in any change in the relative rights of the Shareholders and are in the interests of the Company and the Shareholders as a whole.

In view of the above reasons, the Board is of the view that the Share Consolidation and the Change in Board Lot Size are justifiable, fair and reasonable, and in the interests of the Company and the Shareholders as a whole.

When considering the Share Consolidation and the Change in Board Lot Size, the Board has taken into account the business plan of the Company for the next 12 months. As at the date of this announcement, the Company has no intention to carry out other corporate actions in the next 12 months which may have an effect of undermining or negating the intended purpose of the Share Consolidation, and the Company does not have any concrete plan to conduct any fundraising activities in the next 12 months. However, the Board cannot rule out the possibility that the Company will conduct debt and/or equity fundraising exercises when suitable fundraising and/or investment opportunities arise in order to support, among others, working capital requirements and future development of the Group. The Company will make further announcement(s) in this regard in accordance with the Listing Rules as and when appropriate.
